SIGNET Earns Coveted Award Onto Commonwealth of MA State Contract

Norwell, MA - SIGNET has been awarded the coveted Commonwealth of Massachusetts FAC64 Contract, only the most qualified and experienced security integrators may earn this award. The FAC64 Contract is a means for any public state entity or agency to procure security equipment, systems, and installation services in a controlled selective basis without the limitations and restrictions of public bidding. For additional information, please visit our website at www.signetgroup.net.

"This state contract award comes at a perfect time for SIGNET to work with our public and state clients on summer projects, particularly our K-12 clients looking to upgrade public address and emergency notification systems this summer" states Bradford Caron, President of SIGNET.

The FAC64 Contract includes the procurement of security, access control, video surveillance, emergency communication and public address systems and many other related systems. For more information or to schedule an appointment please contact sales@signetgroup.net.

Founded in 1974, SIGNET Electronic Systems, Inc. has grown from an installation services contractor to a complete integration solutions provider. SIGNET's mission is to provide our clients with innovative solutions and superior service that enhance life safety, security and communications.
