

Please Join SIGNET at
MassAging's 2010 Annual Conference

On Thursday, May 6th, SIGNET Electronic Systems, Inc. will be exhibiting at the MassAging 2010 Annual Conference. As the leading supplier of nurse call communication systems, integrated security and life safety solutions, SIGNET is uniquely positioned to help you protect your patients, staff, and facility.

We efficiently conduct surveys, evaluate needs, comply with Massachusetts Department of Public Health requirements and provide a custom-design integrated solution to fit your specific needs.

MassAging Annual Conference

The 2010 annual conference is our opportunity to highlight the latest in nurse call and integrated security technologies. Working with long-term care facilities throughout New England, SIGNET has become well-versed in the challenges you face in these tough economic times. Technologies such as the Rauland Responder 4000 Nurse Call System, Patient Wandering, Network Video Surveillance, Integrated Access Control and Emergency Preparedness Software help you maximize resident care and secure your facility with minimal effort and with exceptional efficiency.

As a leading supplier of nurse call communication systems and integrated security technologies, choosing SIGNET for your resident care, security, and life safety needs is an easy choice. We will work directly with you to design, furnish and install an integrated nurse call, security, and life safety system that will meet your immediate needs and grow with you throughout the years.

We look forward to seeing you at the conference on Thursday, May 6th. Please visit us in **Booth #19** to learn more about the safety and security products and services offered by SIGNET Electronic Systems.

If you are unable to attend this year, please do not hesitate to contact us if you would like a demonstration or have any budgetary needs.
