As you may know, I have volunteered to participate on the SIGNET Community Service Committee along with Renee Thimann and Kelly Peckham.

The committee has chosen a few wonderful causes to work with over the next several months; however, I would like to specifically review the Breast Cancer 3-Day event. I have organized a SIGNET Team to walk in this incredible challenge. We will be walking 60 miles over the course of three days, camping out at night with thousands of other women and men taking this journey with us. The Breast Cancer 3-Day benefits Susan G. Komen for the Cure and the National Philanthropic Trust Breast Cancer Fund. Every advance in breast cancer research, treatment, education and prevention in the last 25 years has been touched by a Komen for the Cure grant.

Team Signet currently consists of Katie Noyce (a Caron-family friend), SIGNET Team members Melissa Cochrane and Cindy Pitts, and me. Our goal is to raise \$2300.00 per team member, for a total of \$9200.00. We are currently looking for additional team members and/or volunteers to help raise money to assist our team members reach their individual goals. We will be conducting a Lunch-and-Learn this Friday, April 17th, at noon in Conference Room C to discuss the event and the fund-raising opportunities.

If you are unable to attend the Lunch-and-Learn, or have a spouse interested in the event, please contact me at barbaracaron@comcast.net. Thank you for your support and I look forward to seeing you on Friday.
