**SIGNET NOMINATED FOR MASSACHUSETTS FAMILY
BUSINESS OF THE YEAR AWARD**

Norwell, MA – SIGNET Electronic Systems, Inc. was nominated for the 2009 Massachusetts Family Business Awards Program for being considered one of the best family businesses in Massachusetts.

This annual event honors and highlights the outstanding achievements of Massachusetts based multi-generational, family owned businesses. SIGNET was founded in 1974 by the late Charles J. Caron, who passed this business on to his son: Bradford Caron.

Family businesses are an important part of the economy. These businesses tend to be very involved in community service and SIGNET is no different. President Bradford Caron just returned from the NSCA Leadership Conference in Florida where he accepted a national award for the company's philanthropic contributions. More information on this award can be found in the press release section of SIGNET's website.
