TOP 50 SYSTEMS INTEGRATOR BECOMES NEC EXCLUSIVE ASSOCIATE

Empowered by Innovation **NEC**

Norwell, MA - SIGNET Electronic Systems, Inc., ranked for the fourth year as one of the Top 50 Systems Integrators in the U.S. by Systems Contractor News, has been named as an NEC Exclusive Associate.

“We are proud to be recognized as an Exclusive NEC Dealer offering our customers the Next Generation of NEC’s Communications Server (SV8100/8300/8500) and Unified Communications (UCB/UCE) suite of products as well as offering first class support on NEC’s Key/PBX to Enterprise 2400 UMG systems from our experienced NEC technical staff”, says Bradford S. Caron, President of SIGNET. “Jerry Cowing, former Level 3 NEC NTAC Field Engineer, has been a welcome addition to our NEC staff that will assist our customers in the migration, integration, and support of communication technologies to provide a reduced environmental footprint, improved collaboration, and reduced cost savings”, Mr. Caron added.
