

FOR IMMEDIATE RELEASE

**PEMBROKE RESIDENT JOINS
SIGNET ELECTRONIC SYSTEMS, INC.**

NORWELL, MA – October 22, 2007 – Gregory M. Sparrow of Pembroke has joined SIGNET Electronic Systems, Inc. in the newly created position of Director of System Integration. Sparrow will oversee the integration of voice, data and video systems to meet the security and communications needs of SIGNET's customers.

“SIGNET is committed to the protection of people and property through state-of-the-art communications systems, and Greg will play a vital role in ensuring various systems work seamlessly and easily for our customers,” said Brad Caron, Executive Vice President of SIGNET.

Sparrow, whose expertise includes security, access, video surveillance, and wireless communications, joins SIGNET from GE Transportation Systems where he was a senior systems engineer. Sparrow holds an electrical engineering degree from the University of Massachusetts – Dartmouth, as well as numerous technical certificates.

About SIGNET Electronic Systems, Inc.

SIGNET Electronic Systems, Inc. (www.signetgroup.net) is the largest privately held communications, security and life safety systems solution provider in New England, and ranks 25th in the nation, according to Systems Contractor News. A family-owned business founded in 1974, SIGNET provides state-of-the-art, flexible and innovative communications and security systems for clients that include corporations, educational and medical institutions; public safety, judiciary and detention facilities; airports and public buildings. SIGNET is headquartered in Norwell, Massachusetts, with offices in Scarborough, Maine and East Providence, Rhode Island.
